

Hello Crafters,

It's that time again. Please join us for The Lakes Festival of Lights Arts & Craft Show.
December 13th, 2008 Noon to 5pm

The Lakes Festival of Lights is a community event held behind Citibank on West Sahara. It consists of a Craft Show, Car show, entertainment, food and fun. In the evening when it gets dark there is a lighted boat parade on the lake.

We are doing special advertising this year that is only for the craft show and not linked with the rest of the event. Signs will be going up in November. The event is also covered thru other venues usually a few TV announcements, radio spots as well as other print.

Booth size is 10' x 10' - this is an outdoor show.

Price \$50.00 If your paid application is postmarked before November 15th, you can take \$5.00 off the booth space.

You will need a tax ID# for the event; if you do not have one, it will be provided to you. We must collect the tax forms and money at the end of the show as require by the state.

Set-up begins at 8:30 am, if you need a sooner time than that let me know, we can make special arrangements. **There is no electricity.**

This is the 5th year for the craft show and the 8th for the event, each year it gets bigger and better.

Please check out the website <http://festival.lakesassociation.com>. You will see pictures of last year's event and a map of the location.
