

Hello Crafters,

It's that time again. Please join us for the Lakes Festival of Lights Arts & Craft Show.

The Lakes Festival of Lights is a community event held behind Citibank on W. Sahara. It consists of a Craft Show, Car show, entertainment, food and fun. In the evening when it gets dark there is a lighted boat parade on the lake. This year we are adding a Farmers Market.

Channel 3 TV is a sponsor of the Festival, they will be airing several TV spots, and talking about it during their morning show. There will be print media, as well as signage hanging from the light posts on Sahara from the middle of November.
